## COMMISSIONERS' REPORT

The Commissioners present their report, together with the financial statements for the year ended 31 March 2012.

### 1. PRINCIPAL ACTIVITY

The principal activity of the Harbour Commissioners continues to be that of administering the affairs of Newlyn Pier and Harbour. The Harbour Commissioners are also responsible for the administration of pilotage services as a competent harbour authority under the Pilotage Act 1987.

### 2. REVIEW OF BUSINESS

A summary of the results of the year's operations is given on page 6 of the financial statements. The Commissioners report that the profit for the year before taxation amounted to £124,083.

The Commissioners are actively looking at schemes to improve the facilities at the harbour.

### 4. VALUATION

A Valuation of the harbour properties of £6,743,800 was made by Messrs Scott Burridge Chick in March 2006.

### 5. STATEMENT OF COMMISSIONERS' RESPONSIBILITIES

The Commissioners are responsible for preparing the Report of the Commissioners and the financial statements in accordance with applicable law and regulations.

Company law requires the Commissioners to prepare financial statements for each financial year. Under that law the Commissioners have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Commissioners must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the entity and of the surplus or deficit of the entity for that period. In preparing these financial statements, the Commissioners are required to:-

## NEWLYN PIER AND HARBOUR

### COMMISSIONERS' REPORT (continued...)

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the entity will continue in business.

The Commissioners are responsible for keeping adequate accounting records that are sufficient to show and explain the entity's transactions and disclose with reasonable accuracy at any time the financial position of the entity and to enable them to ensure that the financial statements comply with standard accounting practices. They are also responsible for safeguarding the assets of the entity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **6. STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the Commissioners are aware, there is no relevant audit information of which the entity's auditors are unaware, and each Commissioner has taken all the steps that he or she ought to have taken as a Commissioner in order to make himself or herself aware of any relevant audit information and to establish that the entity's auditors are aware of that information.

#### **7. AUDITORS**

A resolution proposing that Kelsall Steele Limited be re-appointed as auditors of the entity will be put to the Annual General Meeting.

#### **ON BEHALF OF THE BOARD:**

Signed: R Clifford-Wing (Vice-Chairman)

Date: 18 November 2014

## NEWLYN PIER AND HARBOUR

### REPORT OF THE INDEPENDENT AUDITORS TO THE COMMISSIONERS

We have audited the financial statements of Newlyn Pier & Harbour for the year ended 31 March 2012 on pages 6 to 16. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the entity's Commissioners, as a body, in accordance with the Harbours Act 1964. Our audit work has been undertaken so that we might state to the entity's Commissioners those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the entity and the entity's Commissioners as a body, for this report, or for the opinions we have formed.

#### **Respective responsibilities of Commissioners and Auditors**

As explained more fully in the Statement of Commissioners' Responsibilities set out on pages 2 and 3, the Commissioners are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the entity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Commissioners; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Commissioners to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **Unqualified with an emphasis of matter**

In our opinion the financial statements:-

- give a true and fair view of the state of the entity's affairs as at 31 March 2012 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Harbours Act 1964, the statutory Harbour undertakings (Pilotage Accounts) Regulations 1988 and the Companies Act 2006.

#### **Emphasis of matter**

As disclosed in note 17 it was identified during the audit that not all supporting documentation with regard to wages and value added tax had been retained. Our opinion is not qualified in respect of this matter.

#### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Report of the Commissioners for the financial year for which the financial statements are prepared is consistent with the financial statements.

**NEWLYN PIER AND HARBOUR**

**REPORT OF THE INDEPENDENT AUDITORS  
TO THE COMMISSIONERS  
(continued...)**

**Matters on which we are required to report by exception**

We have nothing to report, other than noted above in the emphasis of matter report, in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:-

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Commissioners' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Commissioners were not entitled to prepare the financial statements in accordance with the small entities regime and take advantage of the small entities' exemption in preparing the Report of the Commissioners.

### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2012

#### 1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable accounting standards. The particular accounting policies adopted are described below.

- a) Accounting convention  
The accounts are prepared under the historical cost convention.
- b) Turnover  
Turnover represents income receivable net of value added tax.
- c) Government and EEC grants  
Grants received before 1990 are deducted from the cost of the relevant fixed assets. Depreciation is calculated on the net cost.

Grants received since 1990 are treated as a deferred credit and are released to the revenue account in equal instalments over the estimated useful economic life of the asset concerned.

- d) Depreciation  
Depreciation is calculated to write down the cost of assets by equal instalments over their expected useful lives. The expected useful lives of the assets have been taken as:-

Fish market	50 years	Plant and equipment	4 years
Slipway	20 years	Office equipment	4 years
Cradle	15 years	Motor vehicle	4 years
Net maintenance shed	25 years	Slipway upgrade	25 years
Waterworks	10 years	Landing davits	10 years
Other harbour works and properties	100 years	Grading & Traceability	10 years
Small boat Pontoons	25 years	North pier lighting	10 years

No depreciation is provided on deferred expenditure, land or capital works in progress.

- e) Deferred taxation  
Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

Deferred tax assets are recognised only to the extent that the Commissioners consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

- f) Accruals and deferred income  
Accruals and deferred income represents grants received in the year which are to be released to subsequent year's profit and loss accounts so that they are written off over the estimated useful life of the assets.

These grants are repayable if certain conditions are not continuing to be adhered to. The Commissioners are satisfied that the conditions were and are continuing to be met.

**14. PENSION COMMITMENTS**

The Harbour operates a Defined Benefits Scheme based on final pensionable pay. The assets of the scheme are held separately from those of the entity, being invested in Equities (68%), Bonds (16%), Property (7%) and cash (9%).

The contributions are determined by a qualified actuary. The most recent full actuarial valuation was done on 17 May 2013 for the year ended 31 March 2012. It was assumed that the investment returns would be 5.5% per year, that salary increases would average 4.8% per year and that present and future pensions would increase at the rate of 2.5% per year.

The contribution made by the Harbour during the year to 31 March 2012 was £28,254.

The Defined Benefit Scheme is closed to new members and that the date of signing the report all members had retired.

**17. ACCOUNTING RECORDS**

During the year documentation with regard to wages and value added tax had not been retained. Work has been performed subsequently to substantiate the financial information representing the missing documents and the Commissioners are of the opinion that should any variances arise as a result of these documents not being available, these would not be material and affect the users' understanding of the accounts.
