

Newlyn Pier and Harbour Commissioners

APPLICATION FOR ANGLING PERMIT TO FISH FROM NEWLYN HARBOUR

The Newlyn Harbour Commissioners regret that it has become necessary to introduce a permit system for anglers fishing from the property.

Any angler wishing to fish from the piers **must** first obtain a permit, which is valid for one year and costs £10.00.

Anglers **must** also abide by the following rules. Failure to do so will result in their permits being revoked and they will no longer be permitted to fish from the harbour property.

The following rules apply:-

1. No motor vehicles should be parked on any of the quays.
2. Anglers **must** give priority and consideration to vehicles turning and move out of the way if necessary.
3. Anglers **must not** board any fishing vessels.
4. No fires to be lit on any harbour premises.
5. No acts of vandalism to be carried out.
6. Anglers must at all times obey the instructions of the harbour or security staff.
7. Anglers understand they fish at their own risk & that NPHC do not accept any responsibility for any injuries or damage to property/belongings.

Please complete this form and return it to the Harbour Office with a SMALL passport photo to be displayed on your permit card.
