LOCAL NOTICE TO MARINERS

No. 12/2023

Oil Spill Exercise

All Mariners, Harbour Users, and the public are advised that an oil spill exercise will be conducted on the 21st November 2023.

The purpose of the exercise is to test our response to a significant spill event and will include actions by harbour staff deploying spill response equipment alongside our tier 2 responder, Adler and Allen. Representatives from external organisations will also be on site either participating or observing.

The exercise is to commence at 08:30 and complete by 16:30.

Communications within the exercise on VHF Ch12 will be prefixed by the statement "for exercise".

It is hoped that the exercise will cause minimal disruption to harbour users, however we kindly request that anyone not directly involved keeps clear of any area that we are exercising in.
